QUOTE BY JOHN PERKINS

“Jesus’s prayer in John 17 made it clear that His heart’s desire is that we are one just as He and the Father are one. His will is for one church that crosses ethnic, cultural, and class lines and is focused on bringing Him glory until He returns to redeem His bride. This picture of the church is what must fuel our prayers.”

Jesus' pattern in prayer...

- Prayer is acknowledging God's gifts to us.
- Prayer is asking for God's gifts to others.
